

Attention:

Registered Sex Offender, Samuel Brandt, 50, convicted in 2005 of First-Degree Sexual Assault of a Child (an 11-year-old girl) won approval from the city's Sex Offender Residence Board to move in with his mother and stepfather at **471 Huron Road**. City records show that Brandt currently is incarcerated and is scheduled for **release in August**.

Local ordinance prohibits convicted sex offenders from living within 2,000 feet of a park, school or other place where children gather. However, the city board **approved his appeal** and is allowing him to live in our area which is considered "restricted."

He is not to talk to children or to have access to children for the next 11 years. If he does engage a child, you need to report this **immediately** as this is a violation of his parole. His M.O. is to establish a relationship with the family to gain access to children.

We are informed that the decision of the board can not be reversed as it violates the rights of Mr. Brandt. If you are concerned, we encourage you to contact a McAuliffe Park Neighborhood Association Board Member to learn how to sign a petition asking that the appeal be overturned (<http://greenbaywi.gov/mcauliffe/>). A neighbor will be at McAuliffe Park on Saturday, July 27th from 10-11 AM with the petition. We also encourage you to call: Mayor's Office: 448-3005, Alderman Tom Dewane: 465-7803, Asst.
